Hi Jason

Rob will participate on the CEQ call tomorrow. Jane knows the call is covered. As a follow up to our conference call with Sallie and Marjorie, I sent an email to Marjorie regarding the Mitigation Ratio Checklist SOP (see below).

I will also forward to you the technical memo on Arizona Water Rights. The document is over 400 pages due to appendices containing AZ DWR documents on pending applications. It is so large, I will send you the 10 page memo, including the list of documents in the appendices.

Thanks,

Elizabeth
